Ascent™ 30

A FIREPLACE SERIES WITH ENDLESS OPPORTUNITIES

Napoleon's Ascent™ Series has endless opportunities and is perfect for builders and homeowners alike. The clean face design of the Ascent™ 30, 35 & 42 maximizes the viewing area so the realistic flames and hand painted PHAZER™ log set are enjoyed to their fullest. The Ascent™ Multi-View is perfect for making an exceptional focal point between two rooms and features various firebox/burner options including a log burner, a linear glass burner or a designer fire cradle featuring topaz glass embers. The series is equipped with Napoleon's advanced burner technology and an approved safety barrier, meeting tomorrow's safety standards today. Napoleon's Ascent™ is available in three sizes and the Ascent™ Multi-View clean face fireplace is available as a two-sided (See Thru) or a three-sided (Peninsula) model. With the Ascent™ Series the options are endless making them the perfect addition to any room in any home.
